## **HOLIDAY HOMES BALLOT 2009**

Yes it's that time of the year again. The Ballot for the Dunsborough, Melros holiday homes is ready. Last year we explained the need to increase the weekly rental prices to enable us to make much needed improvements. We are pleased to inform you that many of the improvements needed have been undertaken and that it has been decided that there will be no increase in rents this year.

As from the 1<sup>st</sup> September 2007, Melros has been managed by Bassett-Scarfe Realty in Mandurah and this has happened so far with very few teething problems.

Kalbarri will not be in this ballot, as it is closed for maintenance. **"WHEN AND IF"** available, Kalbarri will be advertised on the web page and undergo a separate ballot.

The Ballot this year will only be available for download from the UFU of WA website at [www.ufuofwa.net.au](http://www.ufuofwa.net.au). This is to save costs of mailing to those who aren't interested in participating in the ballot and each year there are quite a number of ballots returned due to incorrect address. You don't have to wait for the mail just get online and printout the ballot and the instructions.

Remember, one ballot per current financial member. If duplicates are found, all copies will be disqualified. Ballot winners will be notified by the agents and names posted on the website. Any query on the Ballot, please email Mark Payne on [markpayne@ufuofwa.net.au](mailto:markpayne@ufuofwa.net.au).

Good Luck
