19th February 2013

CIRCULAR NO: 05/2013

UFU OF WA - NEW WEB SITE

Attention All Members:

Please note the UFU of WA website has been upgraded to make it easier to manage and be more cost effective with an improved format which is compatible with new technology such as Smart phones and Tablets.

The new site will not have a forum, but members will be able to keep track of the latest news via twitter and regular news releases on the website. It will also have a calendar of Union and related events, as well as providing links and information to relevant associations and clubs, such as the WA Fire Brigades Golf Club, Footy Club and Red Knights.

Please visit the website and check that your login details are still working and advise the office at admin@ufuofwa.net.au if you experience problems logging in to the website. The website address is www.ufuofwa.net.au. If you have never logged in before please contact the office for assistance and provide your email address so that we can help you.

The UFU of WA would like to thank Station Officer Mark Bywater for his role as Webmaster for the original UFU of WA website, and we also thank Senior Firefighter Mark Flower for his assistance in establishing the new site.

We appreciate your patience and support - we don't anticipate any issues but there may be some initial teething problems as we transition.

Kevin Jolly
Secretary
