## A Message of Thanks from the Drewett family

**Attention All Members:**

At the request of Chris Drewett and her children Trent and Tara, the Union passes on the following message of thanks to all of those Firefighters, retired and serving who were able to attend our late Life Member, Tony Drewett's funeral.

The Union was also able to pass on many messages from retired and serving members who were unable to be there on the day.

Chris and her children were very appreciative of the Guard of Honour at Tony's funeral and welcomed the attendance of several appliances. It was a fitting tribute to Tony's service both as a Firefighter as well as an Official and Life Member of our Union.

Chris, Trent and Tara and all of Tony's extended family remain in our thoughts.

Strength in Unity

Lea Anderson  
Secretary
