Please help by spreading the word around, about what should be another great game of footy against our arch rivals!!

The new start time is to ensure that this can truly be a family event, and we encourage all friends & family to attend what will be a fun afternoon. There will be plenty of activities for the kids, with bouncy castles and games being organised.

This year, both Clubs will be playing in support of two very important causes R U OK? And My Cause fundraiser for DO Kim Lusk.

The FRS Footy Club always supports our members in need.

District Officer Kim Lusk. Is undergoing treatment for Cancer that is not funded under the health care system.
