2020 ANNUAL DINNER CANCELLED

Attention All Members:

Please be advised that in light of today's announcements from the State and Commonwealth Governments restricting all social gatherings of over 500 people and following discussions with the Optus Stadium function managers, the Union regrettably has had to cancel the Annual Dinner scheduled for next Wednesday.

The 2020 Annual Dinner will be re-scheduled later in 2020 at a date to be advised.

The Union will provide more detailed information to country members next week.

Please contact all of our members at your Station or workplace who are off shift or on any form of leave, we appreciate your help to let everyone know about the cancellation as soon as possible.

We would like to thank the Annual Dinner Convenors, Daryl Browning and Lexie Bowring for their hard work and assistance in the most difficult of times and we also appreciate the professionalism and service from the Optus Stadium function managers.

Strength in Unity

Lea Anderson
Secretary
