Relievers Meeting Update

Attention All Members

At the Relievers Meeting that was held on 8 December 2020, it was resolved to hold a report back meeting on or by 15 January 2021.

The purpose of this meeting would be to report on the outcome of a meeting between the Union and DFES Management to raise issues about the Department's compliance with the Relief and Transfer Guidelines.

Noting that DFES and the Union have had to deal with a busy fire season and other issues, the earliest a meeting with management could be organised is next **Thursday 21 January 2021**.

Following this meeting, the Union will convene a Relievers Report Back Meeting, most likely in early February.

Members' patience while we work through these issues is appreciated.

Strength in Unity

**Tim Kucera
Secretary**
