Update on the Funeral for Retired Station Officer George Jones

Attention All Members:

Information in this Circular replaces that advised in Circular 03/2021.

Unfortunately due to the current Covid lockdown, the funeral for George Jones has to be limited, with only immediate family able to attend in person. It will be held at 2:00 pm on this Friday the 5th of February.

The funeral service will be live streamed for all of those who would like to pay their respects but are unable to physically attend.

The family will endeavour to hold a wake once restrictions are lifted to be able to honour George Jones in a way he deserved, and we will keep you all updated as the information becomes available to us.

The link below will become active approximately 10 minutes prior to the service. We are hoping everything will run smoothly but, if there are any issues with the streaming, the family is also having a backup recording made to ensure that friends and family both in lockdown and overseas are able to pay their respects.

May He Rest In Peace.
