Church Mass for Station Officer Gianni (John) Madaschi

Attention All Members:

The Union has been advised by the family of the late Station Officer John Madaschi that a mass will be conducted to celebrate his life, and has extended the invitation for member's attendance.

Due to COVID restrictions on gatherings at the time of the funeral limited numbers were permitted to attend. Now that limitations have increased this provides an opportunity to ensure John receives the level of farewell he deserves, and will also enable all family, colleagues and friends to acknowledge his life.

Details of the mass are set out below:

Date: Saturday 13 March 2021
Service: Our Lady of Grace Church, North Beach
Time: 1400 hours

All members are advised, permission has been granted to attend the mass in Uniform and, if they wish to participate in the Guard of Honour, they should assemble at the church by 1315 hours.

Strength in Unity
