

THE UNITED PROFESSIONAL FIREFIGHTERS UNION OF WESTERN AUSTRALIA CIRCULAR

President: Clem Chan

Secretary: Timothy Kucera

CIRCULAR NO: 41/2021

22 July 2021

Update of postal address for future communications

Attention All Members:

To ensure members receive all communications from the Union including surveys, notices and/or voting materials for any future elections, all members are reminded to contact the Union directly to provide updated contact and address details.

Please be aware that whilst keeping your address current on DFES Employee Kiosk and with the AEC is necessary and crucial, this information will not flow back to the Union office. The systems are separate.

As the Union is a nationally registered organisation, the election must be conducted by the AEC. Ballot papers are sent out to the addresses the Union provides to the AEC, which is now based in Melbourne.

So for members to receive communications and to participate in any Union ballots **members must contact the Union office directly** at admin@ufuofwa.net.au or **(08) 9228 8122** and update their details. Addresses can also be updated via the Union Alert App.

Members will be sent an email confirming their change of address (whether done via the app, email or by phone). Please ensure a confirmation is received.

If you have not done this recently, please make sure you do so as soon as possible. This will give all members the opportunity to receive communications, have their votes counted and their voices heard.

Strength in Unity

Tim Kucera
Secretary
