### Retired Senior Firefighter James (Jim) Hersey

#### Attention All Members:

It is with great sadness that we advise all members of the death of Retired Senior Firefighter James (Jim) Hersey. Jim joined the WA Fire Brigades in 1969 as part of School 6 and served with distinction for over seventeen years at Perth, Osborne Park and Dalglish Fire Stations before his retirement in 1987.

Jim's entrepreneurial spirit was strong during and after his time with the WAFB & FRS. He operated a delicatessen in Perth opposite the Murray St Fire Station and in his later years he was the owner operator of WA Timber Products in Dwellingup.

The Union sends our love, support, and condolences to his sons Todd, Shaun and Adam (deceased) to his wife Ann (deceased), the Hersey family, and to his colleagues and friends. Our thoughts are with you all.

The details for Jim's funeral arrangements are below for Friday 11 November 2021.
